

Honorable Robert B. Beam
United States Bankruptcy Court Southern District of New York
One Bowling Green, Room 610
New York, New York 10004

Sir, Honorable Robert B. Beam:
I, Sharyl Z. Carter, object, disagree
and reject with Belphi Corporation pro-
cedures on all plans. As the Belphi
Corporation stated these procedures are
in the best interest, and fair reasonable
of these company-Belphi, not the employees
who have been misled, mistreated, mis-
represented, etc, during and before the
filing on this Bankruptcy. I was told
by Belphi Attorneys my claim-case was
not timely file. My claim-case amount
is unknown to me. I continue to request
all my documents, information, evidence Belphi
present in this case, without paying any
fee, amount, that I paid already presenting
my claim-case in previous years. I am
stating my objection, disagreement, rejection
to the best of my knowledge.

General Motors (Gm), is one of the
company to help Belphi Corporation, but Gm
has filed for Bankruptcy also.
